# Value Propositions

---

= Denotes point of differentiation

Value Proposition Statement	Audiences		
	OEM	Distributor	End User
Think cool, think cold and the application might solution may be as easy as E-Z Clip, the first choice in field attachable A/C and Refrigeration systems			
Stationary- E-Z Clip makes your application "mobile"			
3 Year Warranty! Reliability and Customer Satisfaction			
Proven Applications			
More fitting connections than any other A/C fitting program and regional manufacture and stock in North America and Europe			
A System for air conditioning and refrigeration needs combines a hand tool that is simple to use to support a wide variety of customized applications			
Cuts Installation time in Half! Install the hose, add the fittings, performance = that of a factory crimp product.			
Eliminates variability in field crimp diameters – no special crimp dies needed			
LifeSaver Fitting Solution for Custom Tubes
