

## Eaton Industrial Hose H275 - POLYFORCE II™

# Overview & Features

---

Air and water transfer hose

### Features

- 125-250 psi operating pressure
- -10 F to 150 F temperature rating
- Tube: PVC
- 2-fiber spiral reinforcement
- Cover: PVC (Pin-pricked)
- 4:1 safety factor

# Where Used

---

## Aerospace

### Applications:

- Transfer hose for air and water

## Buildings

### Applications:

- Transfer hose for air and water

## Food and beverage

### Platforms:

- In-Plant Processing

### Applications:

- Transfer hose for air and water

## Government

### Applications:

- Transfer hose for air and water

## Machine building

### Platforms:

- Metal /Hydro Forming
- Metal Stamping and Shearing
- Plastics

### Applications:

- Transfer hose for air and water

## Marine

### Applications:

- Transfer hose for air and water

## Mining, Metals, and Materials

### Platforms:

- Ball Mill
- Coal Mill
- Conveyors
- Exploration Drill Rig
- Mobile Crusher
- Reclaimer
- Semi-Continuous Mining System
- Stackers
- Stationary Crusher
- Surface Drill Rig

### Applications:

- Transfer hose for air and water

## Mobile machinery and equipment

### Platforms:

- Application Equipment
- Concrete Pump
- Irrigation
- Irrigation Systems
- Self-Propelled Sprayers
- Stump Grinders and Wood Chippers

### Applications:

- Transfer hose for air and water

## Oil and gas

### Platforms:

- 0-40 hp
- Midstream: Saddle Plants
- Midstream: Terminal Operations (unrefined gas and liquids)
- Upstream: Offshore (fixed or floater) Equipment Handling
- Upstream: Offshore (fixed or floater) Offloading Systems
- Upstream: Onshore Drilling Operations

### Applications:

- Transfer hose for air and water

## Pharmaceuticals

## Rail

### Utilities

**Applications:**

- Transfer hose for air and water

### Vehicles

**Platforms:**

- Fire and Rescue
- Transit Mixer

**Applications:**

- Transfer hose for air and water

**Applications:**

- Transfer hose for air and water

**Applications:**

- Transfer hose for air and water

### Water and wastewater

**Applications:**

- Transfer hose for air and water

## Value Propositions

---

= Denotes point of differentiation

Value Proposition Statement	Audiences		
	OEM	Distributor	End User
Completes breadth of portfolio to capitalize on core product market opportunities			
Additional points of interest:			
General purpose air and water transfer hose where a moderate resistant oil tube and cover is required.			
PVC cover provides better abrasion resistance than standard rubber cover general purpose air and water products			

## Tools & Collateral

---
